

Opt Out Public Liability Insurance Disclaimer – Casual Stallholders

I.....of.....

.....Post Code.....

Herby confirm that they understand that Bursledon Brickworks Museum have requested that all stallholders booking and attending their events should obtain Public/Product Liability Insurance to cover against any potential claim relating to an incident/issue as a result of the stallholders stock, equipment or belongings. I hereby understand that I am fully aware of the above, however due to being a casual stallholder, I confirm that I am a hobbyist and not a registered business and I therefore do not wish to take out Public/Product Liability Insurance. I confirm that upon arriving at any Bursledon Brickworks Museum event, I agree to unload all of my stock, equipment and belongings before Visitors arrive and not to have any items placed under or next to my table during trading hours which could cause a hazard. I take full responsibility for myself, stock, equipment, belongings and stall whilst in attendance at the event and accept to be the responsible person in any incident which occurs as a result of myself, stock, equipment or belongings which falls outside of Bursledon Brickworks Museum's own Insurance.
